# 'CHURCH-GATE' COLLECTIONS

IN RECENT WEEKS, Mass-goers at Dennehy's Cross have been expressing concern about the Church-gate collections. People have been annoyed by aggressive collectors, and by collectors blocking their path into the Church. In response to such demands, we have decided to take action to curb over-zealous collectors.

IN FUTURE, anyone proposing to hold a 'Church-gate' collection, with Garda permission, will receive a letter from the Parish Priest.

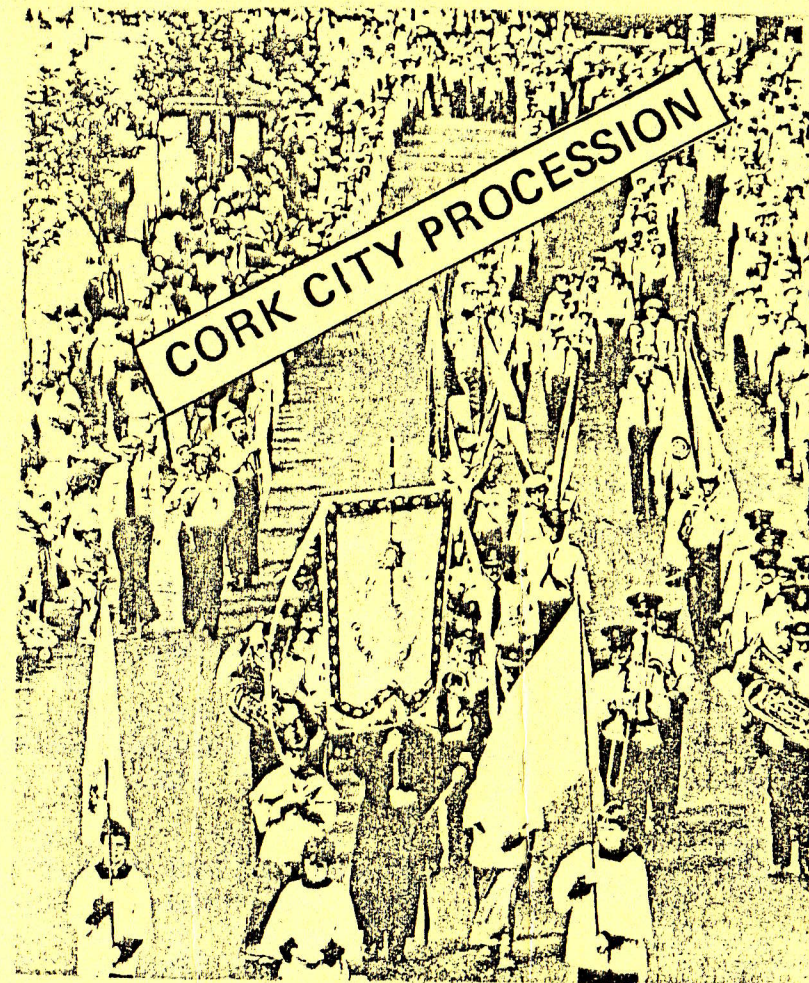

His letter will make the following points:-

1. Garda permission to hold a collection is valid only outside Church grounds.
2. Collectors may use Church grounds, on the following conditions:-
  - (a) No aggressive selling.
  - (b) No collectors in doorways, on steps, or confronting people in the vicinity of the steps.
  - (c) Not more than two collectors at the Main Entrance.  
Not more than one collector at the Model Farm Road side.

We hope that this step will relieve the situation. Naturally, those who do not apply to the Parish Priest will not be allowed collect on Church grounds. And those who violate the conditions given above will not be welcomed back in future years!

WE ASK FOR YOUR SUPPORT in implementing these new directives. We invite you to remind collectors of them, if they seem to be out of step with the directives. And if you have any complaints, do not hesitate to approach us with them.

P.S. Those who wish to distribute leaflets of any sort after Masses will be expected to follow the same procedure. (Except, of course, the Parish Bulletin!)
