BALLINEASPAIG BULLETIN

Twelfth Sunday in Ordinary Time.

CHURCH OF THE HOLY SPIRIT,
CENNEH'S CROSS, COBK.

FROM OUR
**PARISH
TEAM**
The Dean writes

IT'S THAT TIME of year again - the long warm lazy days of summer. Schools and colleges are closed or winding down for the holidays. Great! everybody deserves a break, and a chance to re-charge the batteries.

Sometimes people return from holidays exhausted and declaring they need another to recover from the one just spent. There are some exercises however that can safely be recommended to revitalise us, and leave us feeling the better for them.

First the awareness that we have been loyal in our friendship with Jesus - not forgetting prayer and Mass. A further thought - everybody likes to feel a sense of belonging, or not being left out. Lonely people often find holiday time the dreariest of all. If you have a relative or friend on their own, perhaps you could invite them down for an evening to the summer house or caravan - even send a card from Gran Canaria!! It's nice to be remembered.

My prayer for you is that you have a lovely holiday, that you will return with beautiful memories, and refreshed for the work that lies ahead.

A final word of thanks and appreciation to our Bulletin Team - and indeed to all in the Parish who have given so generously of their time and talents in many different ways during the year.

God bless you all.

Denis O'Connor P.P.

Pastoral Council Profile

PEARL HURLEY, who represents Glasheen, is married and has lived in the parish for 16 years. When asked about her area, she said that she has been very happy living in Liam Lynch Park and people there are the best of neighbours.

When Pearl was asked to let her name go forward she was a little reluctant at first, but now knows that it is a great honour and privilege to have been chosen and hopes to do her best. She would ask the Holy Spirit to help and guide the Council for the next three years.

SCOIL CHOLUMBAIN AND SCOIL
THERESE SCHOOL WATCH COMMITTEE

Over the years a lot of expensive damage has been done to the schools by vandals.

So as not to waste any more money from school funds and parents' contributions, we would like to try and prevent further damage to school property.

It is essential that parents ensure that their children do not enter the school grounds, as children seen on the premises

will then be suspect in the event of damage being done to school property.

Another way parents can help to reduce the costs incurred due to vandalism, is to keep watch themselves if they are walking in the area, and report any suspicious activity to the gardai at Togher Garda Station, telephone 962611.

Thank you.

IN SYMPATHY

We offer our sincere sympathy to JOHN LYNCH, 79 Leesdale, on the death of his sister.

Our congratulations to Sr. Paul O'Flynn, Infant Jesus Sister, on the occasion of her Golden Jubilee.

Sr. Paul came to St. Josephs, Model Farm Road, in September 1991. She left the newly established estate and parish at Hartstown, a suburb of Dublin, N.W. of the city, where she acted as parish sister.

Drishane Convent, Millstreet, was the scene of her work also and she is fondly remembered by the pupils and the people there, as well as by numerous friends in England and Malahide.

We welcome her to Baile 'n Easpaigh and wish her many years of happiness among us.

Congratulations

Congratulations to FR. PADDY LYNCH, SSCC. son of Michael and Brede, "Ardcarrig", Model Farm Road, on his recent appointment as Provincial of his Congregation of the Sacred Hearts - (not to be confused with Sacred Heart Missionaries, Western Road).

Fr. Paddy is based in Acton, London, at present, and is a regular visitor to the home of his parents. He will now be responsible for all members of his Order in Britain and Ireland.

The present Superior General of the Order is another Corkman, and former Provincial also, Fr. Patrick Bradley, SSCC - now based in Rome.
