Fr. Finbarr writes:

From now until next June, with the exception of school holidays, Model Farm Road will feature in the morning traffic as a place to avoid because of tail-backs.

The beginning of the school year is a time when many of us return rather lazily to our winter hobbies which are forgotten about during the summer months. People appear to be much more active when the schools re-open.

I find that time management from September onwards is much more important in my life, because of meetings, school visitation, home visitation, etc. I feel it is so important to set aside time for myself in the urgency of parish life. We are told in the Book of Ecclesiastes that there is time for everything, planting, sowing, reaping, growing. There is also a time for us, as a spiritual people, for God. You may say to yourself, "Isn't God all around us, God is in everything we do and say?" It's important to me to have time set aside to have a good one-to-one with God. It

does help to see the activities of my daily life from a different perspective, and hopefully from a more God-like viewpoint.

## WELCOME BACK - FROM THE EDITOR

September has come around again and the bulletin appears for another year. After a summer of many sunless days, some of us find it difficult to think that the summer is over for another year. The children on their way to school is the first real reminder that the days will get shorter and the chances of a hot day decline.

In the midst of all the doom and gloom, I hope that the bulletin will help to cheer you up - tell you of things to do, news articles, reviews and plenty of choice for all ages of readers. I would like to think that the bulletin should be a forum available to all parishioners, and in that regard, I welcome your comments, hopefully good but always ready to take any criticisms when they are constructive. Articles and notices should be left into the CP Centre by Wednesday at the latest for inclusion. The editor reserves the right to publish any articles which are deemed unsuitable for this medium.

## Pray for these...

We pray for the late Bill Kennedy, Wilton Avenue, and for his son Billy, both of whom died within a short time of one another. Although both had been ill, Bill for the past number of years, and Billy for a short time, their deaths were a great shock to those who loved, cared for and knew them. As many people said at the time of Bill's death almost a week to the day after Billy died, "Shouldn't we all be grateful for the blessings the Lord has bestowed on us?" We offer our deepest sympathy and prayers to wife and mother Carmel, and all the family.

We pray for the late Henry O'Mahony, St. Clares Avenue, who died recently. A quiet gentle man, who was always so welcoming on calling to his home, Henry was a member of the choir at St. Vincent's Church, Sunday's Well for many years. As Fr. Tim Casey, C.M. said at his Requiem Mass, many of the hymns sung at the Mass were lovingly and devotedly sung down through the years by Henry in the church choir. To all who loved and will miss him, we offer you our prayers and sympathy.
