ANNUAL MASS FOR DECEASED PARISHIONERS

The annual Mass in memory of our fifty-five parishioners who died during the past twelve months was well attended. The opening hymn, *Be not Afraid*, sung by Catherine and aided by the congregation created a joyful atmosphere for those bereaved and allowed others present to show support and solidarity.

Fr. Tom, who concelebrated the Mass with Fr. Kieran and the Dean spoke of the risen Christ appearing to the fearful disciples and gently telling them 'Do Not be Afraid'. Again, after some of them spent a fruitless night fishing on Lake Galilee, they saw a stranger who called out 'Cast your nets to starboard friends', resulting in a miraculous catch of fish. Recognising the man as Christ, they were overjoyed. Jesus then invited them to come and have breakfast.

Fr. Tom reminded us that the same invitation is available to all who receive the Body of Christ as often as they wish.

As the names of the departed were called, a member of each family placed a lighted candle on the November shrine. Each person received a daffodil bulb which when planted will produce a beautiful flower symbolising the Christian belief that death is not the end but rather the beginning of new life. To celebrate the Golden Jubilee of our church a special large candle was placed on the shrine to commemorate all those parishioners who departed this life over the past fifty years.

At the conclusion of the Mass, Fr. Tom invited all present to refreshments in the crypt.

ST. CATHERINE'S SCHOOL

- This year St. Catherine's are delighted to be involved once again in the *Do this In Memory Of Me* Programme for First Communion girls. The girls and their families with the valued help of their teachers, play a special role in the Saturday evening parish Masses, usually once a month. They are involved in presenting the Gifts and reading the Prayers of the Faithful, sometimes even treating everyone to a verse or two! St. Catherine's would like to thank the parish for their support for this valuable programme and are looking forward to the next Mass on December 11th
- Our Confirmation girls are busy preparing for their *Ceremony of Light* on November 26th in the school Hall. This is always a very moving occasion and we wish the girls well.
- Our warmest congratulations go out to Mrs. Eileen O' Meara, our esteemed Assistant Principal who retires on November 26th after almost 40 years of dedicated service to the school community here.
