## REFLECTION:

*God has signed His signature  
Across the midnight sky,  
His hands have placed the stars in space  
Beyond the naked eye.  
On snowflakes, birds and butterflies  
And waves upon the sea,  
On seashells on the sandy shore  
His fingerprints we see.*

*Mountain peaks and singing streams  
The clouds, the earth, the land,  
Each living thing all bears the stamp  
Of His creative hand.  
In colour, texture and design  
On blossom, bud and tree,  
He leaves His hallmark everywhere  
For those with eyes to see.*
