POPE FRANCIS'S 10 COMMANDMENTS FOR ACHIEVING PERSONAL HAPPINESS !

1. Live and let live.
2. Be giving of yourself to others. If you withdraw into yourself, you run the risk of becoming egocentric and stagnant water becomes putrid.
3. Proceed calmly (in life).
4. A healthy sense of leisure. Consumerism has brought us anxiety, causing us to lose a healthy culture of leisure.
5. Sunday is for family.
6. We need to be creative with young people. If they have no opportunities, they will get into drugs.
7. Environmental degradation is one of the biggest challenges we have. I think a question that we are not asking ourselves is "Isn't humanity committing suicide with this indiscriminate and tyrannical use of nature?"
8. Needing to talk badly about others indicates low self-esteem. Letting go of negative things quickly is healthy.
9. We can inspire others through witness so that one grows together in communicating, but the worst thing of all is religious proselytism which paralyzes: "I am talking with you in order to persuade you". No. Each person dialogues starting with his and her own identity. The Church grows by attraction, not proselytizing.
10. We are living in a time of many wars and the call for peace must be shouted. Peace is not quiet, it is always proactive.

Creation Matters

Harvest Thanksgiving Celebration and Sharing **Sunday, 28th September**

Remember those seeds which were distributed on June 8th? Now is the time to share their harvest.

Before and after the 10.30 and 12.15 Masses on **Sunday 28th** (please note the date) there will be an outdoor Bring and Buy to raise funds for the Feeding Programme in Turkwel.

Please bring some of your homegrown produce – vegetables, herbs, plants, flowers, fruits, jams... (your own or some locally sourced), and buy some to bring home.

At the 10.30 Mass on the day we will **celebrate** the gifts of Creation, and we will then **share** with our sister parish Turkwel in Kenya by donating all the funds from the Harvest Bring and Buy.
