Workshop on Raised Bed Planting

A **Workshop on Raised Bed Planting** open to all interested parishioners will be held on Tuesday, 19th May at 4pm. This will be led by Jan Van Soest, Organic Horticulturist and Teacher and will be held in the school garden at Coláiste Chríost Rí Secondary School, Capwell Road, Turner's Cross, Cork.

A 30-seater bus will be available, leaving at 3.40pm, to take us from the Dennehy's Cross Church grounds to the school. If you prefer to make your own way there, there is plenty of car parking to the rear of the school. Although the bus and Workshop are free, you may like to make a small donation. The event will be hands on, so wear your gardening clothes and bring your gardening gloves!

This Workshop is being held in the context of our plans to become an Eco Parish: one which "adopts an integrated, ecological approach to worship, lifestyle, property and finance management, community outreach and contact with the developing world". A second Workshop on Waste Minimisation and Composting is planned for the near future.

If you wish to attend the Workshop, please complete the slip below and return it to the Parish Office, or email faithinactionballineaspaig@gmail.com with your details, by 12.00 noon on Wednesday, 13th May. Seats on the bus are available for the first 30 applicants.
